Walgreens

BCBSIL myVirtualCare Access℠ Plan

A virtual first medical plan for convenient care and lower costs

Walgreens is excited to offer team members the BCBSIL myVirtualCare Access plan. With this plan, you receive care virtually first. In-person care is also available with lower out-of-pocket costs when you receive a referral from your Teladoc virtual primary care doctor.

Virtual Care

- Doctor Visits
- Mental Health Care
- Wellness and Prevention
- 24/7 Non-Emergency Urgent Care
- Specialty Care
- Chronic Condition Management
- And more!

In-person Care

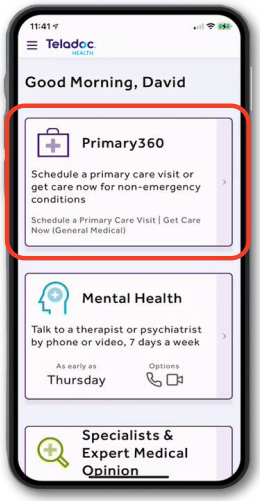
- Available by referral if care cannot be provided virtually
- Scheduled for you by your Care Team
- Includes access to certain Walgreens Health Partner providers and other BCBSIL network providers
- Available without referral at a higher out-of-pocket cost

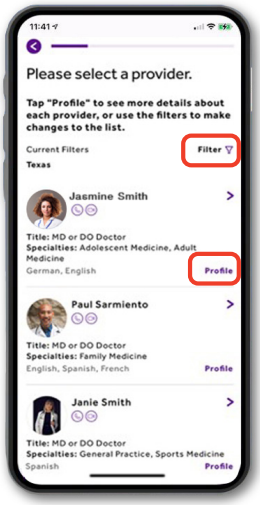
Scan the QR code for more information.

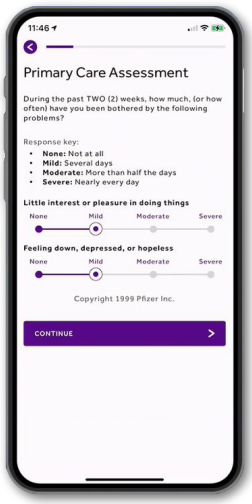
Important: Walgreens' medical plan only covers in-network providers with the exception of emergencies.

Virtual-first Care from Anywhere

Get started by downloading the Blue Element Mobile IL mobile app or by visiting myBlueElementIL.com. It's easy to select your primary care provider, schedule your first appointment, complete your health assessment, and then connect with your doctor and Care Team.







Due to existing agreements, and/or applicable legal requirements, team member benefits may vary and some of this information may not apply to you. If any information provided in this communication conflicts with the official benefit plan and/or policy documents, or some other existing agreement, those documents, policies or agreements will govern. Walgreens reserves the right to amend, modify or terminate all benefit plans and programs at any time.
