Take Advantage of Contactless Payments

Mobile payments mean effortless, contactless convenience. Members enjoy quicker, more secure transactions and immediate access to benefits through digital card provision, eliminating the need for physical cards and delivering participant experience.

By downloading the Benefit Spending Accounts mobile app, members can add their benefits debit card to their mobile wallet in just a few simple taps, making it easy to access and use their benefits right away

Tap, Pay, Go

By adding their benefits debit card to a mobile wallet, participants can easily pay for eligible expenses using their smartphone or smartwatch—no physical card required. Their benefits card remains conveniently accessible alongside their other payment methods.
