Well onTarget can give you the support you need to make healthy choices — while rewarding you for your hard work.

Member Wellness Portal

The heart of Well onTarget is the member portal, available at **myBlueElementIL.com**.* It links you to a suite of inviting programs and tools.

- **Health Assessment¹:** The HA presents a series of questions to learn more about you. After you take the HA, you will get a personal and confidential wellness report. The report offers you tips for living your healthiest life. Your answers will help tailor the Well onTarget portal with the programs that may help you reach your goals. If you choose, you can share this report with your health care provider.
- **Self-Management Programs:** These programs let you work at your own pace to reach your health goals. Learn more about nutrition, fitness, losing weight, quitting smoking, managing stress and more. Track your progress as you make your way through each lesson.
