

Why Choose Bryan Health Direct

A Nebraska-based solution for Nebraska employers

At Bryan Health, our mission is to advance the health of Nebraskans through collaboration with physicians and communities. With a focus on quality and accessibility, we deliver innovative solutions that improve health outcomes, close care gaps and manage chronic conditions across the care continuum while keeping members' care close to home.

Value for Employers

Customized Options

We take the guesswork out of health plan management by sharing our expertise, experience and success with our partners. We collaborate with employers to better understand their pain points and develop innovative self-funded solutions that work.

Cost-Effective Solutions

Bryan Health Direct is dedicated to managing health care costs while enhancing the quality of care for self-insured employers and their beneficiaries. We have proven success in creating value-based initiatives that empower employers to generate millions of dollars in savings.

Peace of Mind

We recognize the importance of having a trusted local advisor by your side. As one of Nebraska's largest employers, we bring substantial expertise in self-funded health plan design to ensure the wellness of our clients' business and employees.

Value for Members

Superior Care

Bryan Health Direct provides access to a vast network of local and regional providers and affiliated health systems that collaborate to deliver high quality care that exceeds patient expectations. We ensure high quality care for every patient every time.

Freedom to Decide

Bryan Health Direct doesn't limit access to a chosen provider group. We work with any group in your community to ensure employees can see the provider of their choice.

Community Focus

We believe that local economies thrive when local employers and local health systems thrive. With new investments in Lincoln, Crete, Central City, Grand Island and Kearney, we are honoring our commitment to improve the health and wellbeing of the communities we serve.
