Connect with Behavioral Health Care

Get matched with the right behavioral and mental health provider for your clinical needs and personal preferences and book your in-person or virtual appointment within 48 hours.

To get started, visit headway.co, add your health benefit plan details and select an appointment slot.

Chronic Condition Management Plus

Get support for Diabetes Management, Hypertension Management, and Diabetes Prevention with personalized guidance and care plans. Depending on your eligibility, you may see communications for one or more of these programs. Upon enrollment, you'll get support and tools for the programs that fit your needs.

Virtual Physical Therapy

You and eligible family members can access exercise therapy tailored to your needs, technology for instant feedback in the app, a personal coach and physical therapist. Hinge Health will reach out to eligible members with program details and next steps. Scan the QR code or visit hingehealth.com/for-individuals/ to learn more.

Cancer Services and Support

When you get diagnosed with cancer, this program automatically connects your treating oncologist with the latest research findings, suggested medications, tests, and clinical trials specific to your type of cancer for the best possible outcomes.

VirtualCheckup®

Sign up to get a VirtualCheckup® powered by Catapult Health in the comfort of your own home. You'll receive a home kit with everything you need to complete your virtual visit. After your visit, you'll get a personal health report with easy-to-understand information about your lab results. Log in to myBlueElementOK.com and click on the VirtualCheckup® link on your home page to enroll.

VirtualCheckup is owned by Catapult Health. Catapult Health is an independently contracted provider that has contracted with Blue Cross and Blue Shield of Oklahoma to provide health and wellness screenings for members with coverage through BCBSOK.

Headway is a separate company that has contracted with Blue Cross and Blue Shield of Oklahoma to provide behavioral health management for members with coverage through BCBSOK.

Hinge Health is an independent company that has contracted with Blue Cross and Blue Shield of Oklahoma to provide an online musculoskeletal program for members with coverage through BCBSOK.

Luminare Health is a separate company that has contracted with Blue Cross and Blue Shield of Oklahoma to administer some products and services under the Alternative Delivery Model.

Ovia Health is an independent company that has contracted with Blue Cross and Blue Shield of Oklahoma to provide maternity and family benefits solutions for members with coverage through BCBSOK.

Well onTarget is a voluntary wellness program. Completion of the Health Assessment is not required for participation in the program.

BCBSOK makes no endorsement, representations or warranties regarding third-party vendors and the products and services offered by them.
