

Personalized Pregnancy and Adoption Support with Special Delivery

We can help with almost everything related to your pregnancy . . .
except maybe the late-night ice cream cravings.

The Special Delivery program gives you:

- Ongoing 1-on-1 support from a registered maternity nurse
- Help understanding and addressing potential risk factors
- Personalized educational materials
- All this support at no additional cost to you

For more information and to enroll in the Special Delivery program today,
call 1-833-345-1240.
