When will health plans be available for quoting?

ABC Company is prepared to provide proposals beginning **MM DD, YYYY**, for effective dates on or after **MM DD, YYYY**.

What is the quote process?

Insert information about quote process here. Please refer to the RFP Form for details and submission requirements.

What is the implementation process?

For new employer groups, we recommend allowing 45-90 days in advance of the effective date to complete the following onboarding process:

1. Client selects the product/services
2. Client attends a kickoff meeting
3. Client answers important questions required for onboarding
4. Open enrollment occurs, and member materials are distributed
5. Client fills out and returns the eligibility template
6. ID cards are made available via portal/app
7. Effective date established and ID cards are mailed to members

How do employees contact customer service?

Members can call the number at the top of their ID card to speak with a dedicated customer service representative.

How is billing for coverage handled?

Insert information about billing here. Onsenihi lliquodi tore nonsero erchit aceprehenis eossita spisquo et restibusam et eos sam, officidenia et, quias saniae poreptaqui consecu.

What reporting is available?

We provide robust claims reporting that can be customized to meet your needs. Medical claims reporting updates weekly within the reporting system, and PBM data updates monthly. Reporting is available through the employer portal and can also be set up to be emailed to you directly.
