Congratulations on your pregnancy! This is a special time for you and your family, and that is why your health benefit plan gives you access to the Special Delivery Program- at no additional out-of-pocket cost to you.

As a registered nurse who knows the needs and concerns of pregnancy, I am available to work with you and your physician to help you throughout the course of your pregnancy.

I will be contacting you within the next few weeks to discuss your pregnancy. If you choose to participate in this program, you will also receive brochures and literature on pregnancy and baby care.

I look forward to being in touch with you during this very exciting time. If you have any questions about our program or would like to talk to me, please call 833-345-1240.

Sincerely,
(Case Manager Name)
