As part of your health benefit plan, you have access to personalized, one-on-one support from a registered maternity nurse throughout your or your partner's pregnancy or adoption through the Special Delivery program at **no additional cost to you.**

One-on-one
support

No additional
cost

Understand and
address risk factors

Personalized
outreach

All Special Delivery nurses have extensive hands-on experience in maternity, neonatal, and infant care and can answer all your related questions, including those about:

Your health history

Safe diet and
exercise routines

Childcare issues

Potential pregnancy
risk factors and how
to minimize them

Travel during pregnancy

Available community
resources

Gestational diabetes

Post-partum
concerns and support

And more

If necessary, your nurse will even contact your physician to help coordinate your care.

How the Program Works

EVHC's Special Delivery

*Frequency of nurse outreach depends on your risk factors and preferences.

Call 1-833-345-1240 to enroll in Special Delivery as soon as you learn you're expecting. We'll be here every step of the way to support you and your baby.
