

Memorial Health Plan

Flexible Design with You in Mind

Memorial Health's patient-centered, self-funded health plans help local employers control costs while giving members affordable access to high-quality providers close to home.

Value for Employers

Affordable, Flexible, Personalized Options

Memorial Health Plan offers affordable plan options to promote Memorial Health Plan network utilization and a robust secondary PPO network for ultimate flexibility and portability.

Quality Care in Our Community, For Our Community

Drawing from our experience caring for our community for more than a century, we built Memorial Health Plan specifically for the people we serve. Memorial Health Plan pairs flexible and robust plan designs with Memorial providers and supporting staff who are among the best in their fields.

One-on-One Expert Service

Memorial Health Plan's dedicated benefit plan managers give employers one-on-one expert consultation and support from the start of the relationship, to building and launching the plan, to managing it year-over-year.

Helping Recruit and Retain Top Employees

Memorial Health Plan provides employers with benefit flexibility and access to best-in-class care at affordable pricing to build plans that makes sense for their unique employee needs, allowing them to attract and retain top talent.

Value for Members

Quality, Patient-Centered Care

Memorial providers and supporting staff are consistently ranked the highest in our region for quality care and patient satisfaction.* They are committed to giving each member personalized, patient-centered care.

Trusted Name in Healthcare

Memorial Health is a trusted name in healthcare in Central Michigan. We have been providing care for our community for more than a century from our main campus in Owosso and satellite offices throughout the region.

Accessible and Community-Based

The Memorial team includes close to five hundred highly rated medical professionals with a full range of in-network medical and surgical specialties. Our facilities serve six counties and include an emergency room and urgent care centers in Shiawassee County.
