Stay In-network, Save Money

Out-of-network usually means more out of your pocket.

Going to healthcare providers in your network gives you the best benefits from your health benefits plan. That means generally, you will pay less for care if you go to an in-network provider because:

Finding an in-network provider

1. Log on to your member portal, **myOhioHealthy.com**.

   (If you've never used the portal before, you'll have to complete a quick one-time registration process)

2. On your portal home screen, click the "find a provider" link in the My Links section.

3. Follow the on-screen directions to search for a provider in your area.

If you need any help finding an in-network provider, just call the number at the top of your ID card.
