# Finding the Right Primary Care Provider

We believe primary care is among the most important care you receive. It's often the starting point of your healthcare experience.

Whether you're sick with a cold, managing a chronic condition or looking for ways to maintain long-term health, our primary care providers are here to help when you need them. Many of our providers specialize in areas like men's health, women's health, sports medicine, family medicine and more.

Need help finding a Primary Care Provider? OhioHealthy has you covered with a variety of options:

- Visit our OhioHealthy Provider Search tool on our website, OhioHealthyPlans.com, under "Find Care." Refer to your ID card when selecting your network and product. Refine your search by name, specialty or location.

- Contact our Member Advocates who can guide you through the process. Your OhioHealthy Member Advocate is your ally throughout your healthcare journey. They are health plan experts fully equipped to quickly resolve routine and complex inquiries, such as finding a provider. You can reach out to a Member Advocate by calling the number on the back of your ID card.

- For a more personalized experienced, our trained Care Management team can also help you find and schedule an appointment with a Primary Care Provider. You can contact OhioHealthy Care Management at (614) 485-7941 or CareManagement@OhioHealthyPlans.com to learn more.
